

## NOTICEBOARD

Saturday 25<sup>th</sup> August 2007

**SATURDAY 8<sup>th</sup> SEPTEMBER**  
**ENGLAND v ISRAEL kick off 5pm**

If any club wishes to bring forward its kick off time on this date, to **1pm** or **2pm**, first obtain the agreement of opponents and match officials and then advise **Eric Harrison** by **12 noon on 31<sup>st</sup> August at the latest**. Failure to meet the deadline will result in the match kicking off at the usual 3pm.

**ERIC HARRISON versus BT**  
(Extra time being played)

As published on last week's Noticeboard, the League's Fixture Secretary for Division Two and Reserve Section is encountering considerable difficulty in getting connected to BT Broadband. The situation has changed – for the worse! He **and** his neighbours are now without **telephone** facilities after BT *contractors* dug up the road for a second time and await BT *engineers* to come and re-connect them, sometime between now and early next week!! *It will be early this week for those receiving the hard copy.* Consequently, **FOR EMERGENCY USE ONLY**, he has been loaned a mobile, the number of which is: **07794 255328**

### DIVISION TWO LEAGUE TABLE

**Caddington**. Following their win on Saturday 18<sup>th</sup> August, their points should have been +3, not –3. The table has been amended accordingly. *By way of explanation: when the idiot PressSec formatted the table for the current season, he forgot to amend the formulae bar deducting the 6 pts that applied to Crawley Green last season! Don't ask!!*
