EARLIER KICK OFF TIMES +

By Jim Bean

November sees the start of earlier kick off times for clubs without floodlights. Please be advised that those clubs must continue to telephone their results to me **immediately following the conclusion of the game.**

First Team results: clubs are reminded once again that **opponent's** goalscorers & times are required – whether SSMFL or non-SSMFL – **and** the attendance figure.

Also: spell out the names of the goalscorers. It is difficult enough transcribing them from BT Callminder, without having to guess at some of them! Advise your callers accordingly!!

Finally, re cup competitions: let me know as soon as you do that extra time is to be played.
